Reliance Life premium income up 152%

Press Trust of India

Lucknow, Sept. 18

The Anil Ambani-promoted Reliance Life Insurance on Thursday said its premium income has grown by 152 per cent in April-July this fiscal as compared with the overall life insurance industry growth of only 1.6 per cent in the same period.

“We have registered 152 per cent growth this fiscal when the overall life insurance industry growth registered only 1.6 per cent,” Reliance Life Insurance Chief Executive Officer, Mr P. Nandgopal, told reporters here.
